## Trial Gardens Plants of Distinction

September 21, 2017

*Tibouchina urvilleana* 'Variegata'

Grandiflora Rose 'Mother of Pearl' by **Conard Pyle/Star**

Excellent color and smell. This plant is located on a main pathway through the garden and is commonly stopped at by students and passer byers.

Succulent and cacti gardens. Will be available for sale this winter.

Angelonia Pinstripe™ 'Zebra' by **Hort Couture**

Excellent container plant has had blooms all summer and rarely gets passed by without a second look.

Mix basket with 'Crystal White' Euphorbia by **Green Fuse Botanicals**  
and Diascia Flirtation® 'Pink' by **Proven Winners**

Abutilon #1607 by **Dr. John Ruter**

Dahlia from the Dalaya™ Series by **Selecta** (Ball)

‘Devi’, ‘Shari’, ‘Shiva’, ‘Yellow 18’

**Clematis 'Mazowsze' by Marszynski**

Pink Coral Vine. A truly remarkable vine especially as a pollinator plant, during the day the entire plant looks alive with bees!! Below is 1 season's growth.

Grandiflora Rose 'Crazy Love' by Kordes
